Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

f CRA had covered more lenders, we could have avoided such widespread economic collapse. The CRA should be expanded to prevent future meltdowns. For too long, the rules of Wall Street have been written by the bankers themselves. This year, that has to change.

Sincerely,
