Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

My name is Wesley Thomas and I recently assisted the president with information concerning a resource program. I have been having problems and I am trying to contact the president. My needs for a financial program of assistance is great and I am experiencing difficulties. Information concerning housing assistance and other programs of neccessitative assisstance are critical

Sincerely,

Wesley Thomas
