As long as we continue with a system of using fiat currency, the financial and economic problems are bound to worsen. It is much too easy in a society that is based on capitalism to abuse its own powers in regards to the creation of currency for distribution. It is similar to giving the responsibility of alcoholics to watch a liquor store unattended. There is bound to be some tampering and abuse. What the United States needs is a program for total debt forgiveness. It seems that the restructuring of the Bankruptcy laws favored the creditors more than consumers. This is not to say that someone should be able to abuse the ability to wipe their slate clean but the option should all be available without having to pay such a high price for doing so. In August 1996 I posted a message on a billboard sign. It started a year earlier but it was brought to my attention that it should be posted on a billboard sign. The message was geared toward debt forgiveness. It was also brought to my attention that Orlando, Florida is designed like a dollar bill. Debt forgiveness is the key [www.orlandovirgins.com](http://www.orlandovirgins.com) Stargate[ /td]
