Proposal: 1432 (RIN 7100 AD 82) Reg. V V - Proprietary Trading and Certain Interests In, and Relationships
Subject: Volcker Rule -- Prohibitions and Restrictions on Proprietary Trading and Certain Interests In, and R

Comments:

Dear SEC, OCC, FDIC and Federal Reserve,

Please institute a strong Volcker rule related to subject issues.

It is time for the banks to pay their own way if they want to do risky business. No more bail outs

Thank you,

Lee Brown
