## ABOUT YOUR INTEREST RATE

- Your rate is variable. This means that your actual rate varies with the market and could be lower or higher than the rate on this form. The variable rate is based upon the LIBOR Rate (as published in the Wall Street Journal). For more information on this rate, see reference notes.
- Although your rate will vary, it will never exceed $25 \%$ (the maximum allowable for this loan).
- Your Annual Percentage Rate (APR) is $\mathbf{8 . 2 3 \%}$. The APR is typically different than the Interest Rate since it considers fees and reflects the cost of your loan as a yearly rate. For more information about the APR, see reference notes.

## FEES

- Late Charge: 5\% of the amount of the past due payment, or \$25, whichever is greater.
- Returned check charge: up to \$25.
- Fee when you begin repaying the loan: 3.5\% of loan balance.

## REFERENCE NOTES

## Variable Interest Rate:

- Your loan has a variable Interest Rate that is based on a publicly available index, the London Interbank Offered Rate (LIBOR), which is currently $4.375 \%$. Your rate is calculated each month by adding a margin of $3 \%$ to the LIBOR.
- The Interest Rate may be higher or lower than your Annual Percentage Rate (APR) because the APR considers certain fees you pay to obtain this loan, the Interest Rate, and whether you defer (postpone) payments while in school.
- The rate will not increase more than once a month, but there is no limit on the amount that the rate could increase at one time. Your rate will never exceed 25\%.
- If the Interest Rate increases your monthly payments will be higher.

## Bankruptcy Limitations

- If you file for bankruptcy you may still be required to pay back this loan.

## Repayment Options:

- Although you elected to postpone payments, you can still make payments while you are in school. You can also choose to change your deferment choice to: Pay Interest Only or Make Full Payments. More information about repayment deferral or forbearance options is available in your loan agreement.

## Prepayments:

- If you pay the loan off early, you will not have to pay a penalty. You will not be entitled to a refund of part of the finance charge.

See your loan agreement for any additional information about nonpayment, default, any required repayment in full before the scheduled date, and prepayment refunds and penalties.
