Hello, may I speak with (R)? (AFTER R COMES TO THE PHONE.) My name is _____, and I'm calling from the Survey Research Center at the University of Michigan. In 1983, you were kind enough to participate in the Survey of Consumer Finances. You may recall an interviewer coming to your home for an interview about your family's finances. We would like to thank you for your participation in that earlier study. A report on the results of that study was mailed to you in March. To continue this research, we would like to conduct a short interview with you over the phone, and I was hoping now would be a good time for you.
