Subject: Regulation AA

Federal Reserve Board Email comments

Dear Email comments,

I'm sick of the credit card companies. They are ruining our country. They are a necessary evil, but they should be regulated better. I paid a credit card on time once, and I paid it off. But I was still charged a fee for the 15 days the balance sat there. The credit card companys shouldn't be able to do that.

.

Sincerely,

Mrs. Lindsay Laughlin
