Federal Reserve Board Email comments

Dear Email comments,

We as consumers are being raked across the coals in every possible way thinkable, in favor of BIG BUSSINESS, BIG MONEY, AND BIG GOVERNMENT! We are the VOTERS! It's past time for our law makers to create a level playing field for we the people!

Sincerely,

Mr. JIMMY ARNETT  
424 Mustang Rd NE  
Piedmont, OK 73078-9645
