[^0]:    1. Includes finance company subsidiaries of bank holding companies but not of retailers and banks.
     are no longer carried on the balance sheets of the loan originator. Data are shown before deductions for unearned income and losses. Components may not add to totals because of rounding. . Seasonally adjusted series have been revised from January 1998 forward as a result of new seasonal factors.
    2. The series may contain breaks that result from discontinuities in source data. Growth rates are adjusted to exclude the effect of such breaks.
    3. Data are volume-weighted averages covering all loans of each type purchased during the month. The statistical foundation for these series has deteriorated in the past few months. Therefore, publication of these series is temporarily being suspended. The statistical foundation is in the process of being improved, and publication will resume as soon as possible
