

From: "CATHY MAYES" <Cathy.Mayes@slma.com> on 01/23/2004 09:41:09 AM
Subject: Regulation B - Equal Credit Opportunity

Sallie Mae has no objection to the proposal to develop a more uniform standard for providing "clear and conspicuous" disclosures. However, we cannot help noting the irony in your suggestion that words printed in less than 8 point type are inherently unclear, and your request that comments be printed in at least 10 point type, when the Federal Register itself does not appear to meet so high a standard.
