Re: Request for Information for Study on Prescreened Solicitations or  
Firm Offers of Credit or Insurance  
Docket Number: OP-1195

Gentlemen:

With all due respect, it is requested that the Governors of the Federal Reserve System adopt and/or modify any proposed legislation, to the extent practicable, to enjoin and further restrict any party considering using consumer credit agencies to offer prescreened solicitations or firm offers of credit or insurance, from using any selection or omission criteria related to any and all medical information which may reside in a consumer's file.

Respectfully submitted,

*Stephen Richard Levine*
