Subject: Truth in Lending

In ref to the subject matter, I would like to support these following items:

- Requiring a "Schumer Box," which discloses abbreviated credit-card pricing terms on credit-card solicitations, on the final agreement after a credit card is issued. This way, I'd be able to see if I am actually being charged the same rates and fees as I thought
- Requiring a lender to issue a simplified table in the "change in terms" notice, showing pricing "before" and "after" the change

Sincerely yours,

Cu Nguyen
