Comments:

please think carefully about what the UIEGA does to all our rights as FREE PEOPLE of THE USA before going any further with the enforcement of this act,that was passed by all of us at the 11th hour under the port security bill.further more the USA needs to resolve the maters of not being in compliance with the WORLD TRADE ORGINIZATION BEFORE going any further with this act and enforcement of it!we stand to lose billions of dollars as a nation because of this matter alone!the UIGEA has made carve outs for all of the wrong things such as horse raceing and lotto
