Subject: Truth in Lending

1. Cards should accurately indicate INTEREST and terms...
2. Terms should be frozen for duration of issue date to date
- 3,. Universal default is wrong and obnoxious to all....
4. More supervision of card issuers is required to insure that harmful practices are not revived....
5. Payments made on-line by Bank Transfer should be posted in less that 3-10 days by every card issuer....They should not be able to create a FLOAT...
