Subject: Regulation Z

I am a Florida Licensed Mortgage Broker # MB0805124 and have been active in this industry for 30 years.

Please....require mortgage brokers to be licensed by the State of Florida regardless of whether they work for a Broker Business, Correspondent Business or Licensed Lender.

Regulate...do no Eliminate the Broker industry.

Please do not end a career for 70-80% of those of us who have been and will continue to be honest with our clients.

Thank you,

Graham F. Squier
