Subject: Regulation AA

Jul 24, 2008

Federal Reserve Board Email comments

Dear Email comments,

The credit card & banking rules passed a couple years ago were bought by the lobbyists only to the benefit of banks & credit card

companies. Do the right thing now- on behalf of the people- noy for the

large companies. Americans are husting - those rules have just added to the economic pain so many of us are feeling.

.

Sincerely,

Mr. John Meissner
