Federal Reserve Board Email comments

Dear Email comments,

Please help us, the average citizen, survive these difficult economic times by putting a stop to the credit card companies abusive practices. Please stop them from preying on us.

You represent us, the people, and not industry. We hope their political contributions won't desuade you from voting on this issue because we are getting disillutioned with Congress' inaction.

.

Sincerely,

Mrs. Wilhelmina Mendoza
