Dear Sir/Maam; What is the right thing to do? does it really matter? your going to do what ever like, it does no good to speak to you anymore. What I do know is that complacency is the catylist for anarchy, and diversity brings change. Hence I can only vote with my pen, to vote cronyism out of office this fall. That is my bumper sticker by the way, "Vote Cronyism out of office this fall." it is the theme to a blog, an ends to a means. The longest journey begins with the first step. We never expected you to do the right thing anyway--enjoy your steak...
