Federal Reserve Board

Dear Federal Reserve Board:

I support your plan to ban overdraft fees on debit holds. Please go one step further and ban overdraft fees when the funds are in my account but haven't cleared yet.

I support your plan to ban overdraft fees on debit holds. Please go one step further and ban overdraft fees when the funds are in my account but haven't cleared yet.

I would like to have the choice up front to enroll in an overdraft loan program. Please require the banks to give me that choice before charging me a fee.

Require that overdraft loan costs be disclosed under open-end credit rules.

Require banks to get consumers' affirmative consent before extending overdraft loans.

Please ban the practice banks and credit unions have of withdrawing my largest checks first. It is unfair to manipulate the order in which debits are processed to maximize fee revenue while routinely covering overdrafts and charging big fees when they do.

Require financial institutions to separately report checking account fee revenue for insufficient funds and for overdrafts. That way we will know how much money they make off this unfair and deceptive practice.
