Dear Email comments,

Does anyone remember the biblical strictures regarding usury? By charging \$35 late fee for a payment received a day late causing the

balance to go over the \$600 limit triggering another charge of \$35 I am

being charged \$70 plus \$5.05 for some protection plan I never signed up for.

That's \$75.05 a month on a \$600 debt.

Isn't it time to chase the money lenders out of the temple?

.

Sincerely,

Mr. Steven Zeledon
