Dear Email comments,

i am sick and tired of credit cards that thatplace higher rated charges  
in back of lower charges and not let you pay them up they can add them

to tour account but you cant do anything about them.also they can raise  
your rates for any reason; also they let a charge go through so they  
can charge you an overdraft .sincerlyyours

.

Sincerely,

Mrs. beverly dupuis
