Subject: Regulation AA

Jul 25, 2008

Federal Reserve Board Email comments

Dear Email comments,

The banks seem to be able to make up any rules they want and whenever they want - usually to the disadvantage of the consumer. They should be supervised and restricted from unfair practices that hurt everyone but them.

.

Sincerely,

Mrs. marilyn wilbert
33003 Hees St
Livonia, MI 48150-3722
