Subject: Regulation AA

Jul 24, 2008

Federal Reserve Board Email comments

Dear Email comments,

The profits in these credit enterprises are enormous, and are swollen

by such predatory practices as those outlined in R-1314. Regulation is as important to the Free Market System as any other component. Please take R-1314, make it even stronger, and for heavens sake, PASS IT.

.

Sincerely,

Mrs. Martha Cuneo
29340 Bon Mar Dr
Warren, MI 48088-3878
