Federal Reserve Board Email comments

Dear Email comments,

To whom it may concern..

I am thrilled to see that the Authorities have FINALLY decided to do something about the credit card companies taking advantage of people.

As usual, the people that can least afford it pay the highest cost of their rape of the public..Thank you in advance for coming to our,(the public's) defense.

Patrick Carofano
patc@netw1.com

.

Sincerely,

Mr. Patrick Carofano
