Subject: Regulation AA

Jul 24, 2008

Federal Reserve Board Email comments

Dear Email comments,

Rein in credit card abuses that cost consumers money and damage their credit ratings.

Stop companies from hiking interest rates on existing balances unless paid late. Stop them from applying my monthly payment to the low

interest debt first and require them to give consumers time between the bill and the due date so that consumers can always pay on time. Stop interest charges on debts paid off the previous month.

Sincerely,

Dr. Beverly Greene
