Jul 24, 2008

Federal Reserve Board Email comments

Dear Email comments,

We finally have a chance for our voices as consumers to be heard -- and a better-than-good shot at success.

I am speaking up even if I never carry a credit card balance or bounce a check. It's time to put a stop to banking and lending practices that simply aren't fair.
STOP NOW

.

Sincerely,

Mr. Leonardo Oliveira
52 Ridge Rd
Naugatuck, CT 06770-1828
