Federal Reserve Board Email comments

Dear Email comments,

I think the government is way overdue in reigning in the credit card companies. Isn't it bad enough that millions of people are about to lose their homes and have to decide weather to pay for food or utilities?

Why have the credit card companies been able to do whatever they darn please?

Put a limit to how high a percentage they can charge people.

PLEASESSSSSSSSSS !!!

Barbara Scranton

Sincerely,

Ms. BARBARA SCRANTON
