Subject: Regulation AA

Jul 24, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit caed debt is at an all time high and many cardholders will be unable to pay off their debt with the unreasonably high interest charges and restrictive policies of the banks and credit card companies.. The American public needs some consumer protection from

unscrupulous lending and credit practices. Rein in the predatory credit card companies.

Thank you,

Sincerely,

Dr. James Greene
