Subject: Regulation AA

Jul 25, 2008

Federal Reserve Board Email comments

Dear Email comments,

It is about time for the FED. To act to stop the credit card co. from doing what they want when they want. At the expense of the American consumer.

The C C companies must be regulated and monitored closely.

The C C companies must be regulated and monitored closely.

It is Amazing that you can pay a balance in full and because it is posted or received 1 day past the due date they can charge a 30-dollar late fee
