Federal Reserve Board Email comments

Dear Email comments,

It's long past time for the citizens of this country to march on Washington, D.C., and to take EVERY member of Congress and all their staff members, the eight Justices of the Supreme Court and their staffs, and ALL the beaureaucrats in D.C., and any White House Staff members they could capture; and take them all "to the wood shed". Public floggings would be a good start. Tarring and feathering Reid and Pelosi might help.

WE NEED TO BRING BACK MEANINGFUL USURY LAWS. IF THAT COSTS THE POLITICIANS SOME GRAFT AND CORRUPTION MONEY (CAMPAIGN CONTRIBUTIONS), GOOD! CONGRESS IS THERE TO REPRESENT THE PEOPLE -- NOT THE SPECIAL INTERESTS.

An ANGRY voting citizen,

Sincerely,

Mr. James T, Jacks
