Subject: Regulation AA

Aug 21, 2008

Dear Email comments,

Please enact the proposed card rules as soon as possible. Interest rates are exhorbitant on not-so-low balance credit card accounts. I agree with going with the postmarked date as the date payment is received.

Thank you so much for your interest! Anything you can do to alleviate the present state, please do so.
Thank youl.

.

Sincerely,

Miss Phyllis Duckhorn
