Subject: Regulation AA

Jun 14, 2008

Federal Reserve Board Email comments

Dear Email comments,

I urge you to enact tough rules to rein in credit card companies. Their behavior borders on immorality as they bilk consumers to make beyond-reasonable profits.

The language of their offerings should be straight forward and in layman's terms, not in gobbley-gook that only college educated people can grasp.

There should be stringent requirements before they can change the rules and rates on unsuspecting customers.

.

Sincerely,

Mrs. Arlene Unger
