Federal Reserve Board Email comments

Dear Email comments,

I want to add my voice to those demanding that credit card companies be prohibited from arbitrarily changing the terms of their plastic!

These include reducing the time between when I receive my bill and when it is due, adding interest charges on debts already paid, and raising rates.

I am also concerned about the exquisite fine print about fees and benefits.

Your attention to this issue would be greatly appreciated.

.

Sincerely,

Mr. Leon Steinberg
