Federal Reserve Board Email comments

Dear Email comments,

The American people are being crushed by big oil. We can no longer afford gas for our cars, heating oil for our homes or groceries for our tables. It's time that we got a break somewhere - and by cracking down on the credit card companies' abuse, at least that's a start in the right direction for our paltry pocketbooks.

Sincerely,

Ms. KT Snyder
430 South St
Gorham, ME 04038-1962
