Federal Reserve Board Email comments

Dear Email comments,

I am astounded at that credit card banks are allowed unfettered ability to rip-off consumers without effective state protection. The banks have bought off Washington, just like COUNTRYwide and FNMA. Know whom to smear, and you can pillage the public with impunity. \$35 late fees. Usurious interest rates. There is no end to the narcotics these pushers will push And Our Representatives in Washington are the Enablers.

Sincerely,

Mr. Thomas Blum
