Federal Reserve Board Email comments

Dear Email comments,

As someone who was "victimized" by MasterCard, I am relieved to be able to complain officially. Their game was to reassign my ATM cash requests to their card without my knowledge or consent. My ATM card has always been officially assigned to my Bank of America checking account. In addition, MC added 10 percent interest and an additional \$1.50 fee to each \$100 dollars withdrawn from my Bank of America checking account. I tried and the Bank of America tried to stop this practice. After four months of constant complaints, MasterCard's "unlawful" practice stopped. These incidents happened between Dec. 2007 and March 2008.

Sincerely,

Dr. MARTHA CLINKSCALE
