Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit card companies send a lot of material in small print changing

the terms and they do it often. I have asked them what different things mean and I must say I never hang up with a real understanding of my question. To have fair practices I believe we must have regulation. Please protect the consumer not the credit card companies who make tremendous profits.

.

Sincerely,

Mrs. Alice Goss
