Dear Email comments,

Dear Federal Adninistrators:

I have been lied to, manipulated, and taken advantage of by all of the major credit card companies. Discover enrolled me in a program that was supposed to pay my debt if I was laid-off, injured or lost my job. I pay my bill on-line and they neglect to show you the outrageous amount you are being charged. When I actually did lose my job (to automation), they refused to make my payments. They said because I worked for a "3C" charity (a church organization), they

weren't required to pay! Please stop these outrageous abuses and bring some fairness and common sense into the mixture. Thank you for your time and consideration, Sincerely, Gary Nelson

.

Sincerely,

Mr. Gary Nelson
