Federal Reserve Board Email comments

Dear Email comments,

I feel like I am in a hole and digging it deeper the more I try to pay off my credit cards. They do not WANT me to pay them OFF! That is why the continue to raise the interest rates the closer I get to paying it off. Please help me out of this hole; you are my only prayer. Another thing they keep doing is sending me "preapproved apps" so

that I will be guaranteed to stay in debt. Thank you. Prentice Burley

.

Sincerely,

Mr. Prentice Burley
