Federal Reserve Board Email comments

Dear Email comments,

The Fed's proposed rules are tough, though they're not a sure thing.  
The credit card companies don't want to give up their easy profits.  
That's why we need you demand real change! Stop companies from hiking  
interest rates on existing balances (unless you pay 30 days late).  
Stop them from applying your monthly payment to low-interest debt  
first. Give you time between the bill and the due date so you can always  
pay on time. Stop interest charges on debts paid off the previous month.

Sincerely,

Ms. Alixine Sasonoff
