**Subject:** Regulation AA

At the very least items need to clear in the order of the purchases and/or withdrawals. The only item that should pop in front of the lines are deposits. Please help stop the unfair practices at our banks! It is criminal to allow this to continue! It would also be nice to be given a warning before allowing a withdrawal that would cause an overdraft. I wish I could have my own bank so I could treat people fairly!!

Sincerely,
