Federal Reserve Board Email comments

Dear Email comments,

When is the Federal Government going to step in and stop the tactics of the Credit card industry from leagally robbing the public. It is a disgrace and should have been prevented years ago. I am personally disgusted and outraged that this situaiton has been allowed to develop and continue unabated.

.

Sincerely,

Mr. Lawrence Roberts
245 Lincoln St
Savannah, GA 31401-4060
