Federal Reserve Board Email comments

Dear Email comments,

HOW does it feel to take candy from babies?(dumbed down americans)
doing something (constructive) to earn money feels alot better than
standing there with your hand out.

credit card companies are vampires.(trained by federal Bank system)
vampires work in the dark.

the light will shine upon them and destroy them.

No man should need credit.(dependence)

independence is freedom.

.

Sincerely,

Mr. levi harrod
