Federal Reserve Board Email comments

Dear Email comments,

I am a "convenience user," one who pays in full every month. However, the pay off time grows shorter and shorter on a consistent

basis. If I go on a business trip for more than three days at just the wrong time of the month, I run the risk of the banks trapping me into their interest scam, and it is very difficult to get out. That is because of Bush Crime Family crony "deals," which benefit big business and hurt people. Be clear about it. This does not allow business to profit; it allows them to steal, Stop this now!

.

Sincerely,

Mr. Jerry Bobbe
