Federal Reserve Board Email comments

Dear Email comments,

Please reign in the abuses of credit card companies and do not allow them to continue making profits by unfairly penalizing consumers.

Credit card companies have the power to arbitrarily load consumers with more and more interest debt. Don't allow these abuses to become the modern-day "debtor's prison" that traps consumers in an unending cycle of increasing debt that can never be paid off.

.

Sincerely,

Mrs. Cynthia Guentner
