Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Credit card companies are out of control. Stop these companies from hiking interest rates on existing balances. And what is the deal with the due date being the same day I receive the bill? How devious is that. That needs to be stopped too. And when the debt is paid off the previous month, there should be no interest charges on that amount. Make changes NOW

Sincerely,

Mrs. Mary Swanson
