Federal Reserve Board Email comments

Dear Email comments,

Please rain in the credit card companies, they are now acting like Cash Advance places that feel they can do whatever they want with their

money. Having them be fair with consumers is the only thing to do. If the Credit Card companies threaten to pull back on credit to american

so be it, Americans are too spoiled with credit and use WAY TOO MUCH of it. Time for American to get back to the basis and only buy what we can afford. Thank you for your time

.

Sincerely,

Mr. Jeff Devitt
