Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

It is obvious to everyone, including yourselves, that credit card companies are taking advantage of the people who can least afford to be ripped off, the poor and college students who dig a deep debt hole that is almost impossible to get out of.

This bill will help but is still far short of what is needed to correct the abuses in this industry.
Please support this bill.

.

Sincerely,

Mr. John Deck
