Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Dear Ms/Sir;

Please regulate the credit card industry by allowing R-1314 to become law. Too long have these companies been able to change the rules, charge what they want and be able to plead, "we will not be able to make any money if the rules change".

Make the rules help Americans not PROFITS.

Thank you

.

Sincerely,

Mr. Eugene Brusin
