Subject: Regulation AA

Jun 12, 2008

Federal Reserve Board Email comments

Dear Email comments,

Enough is enough. Consumers are having a tough enough time making ends

meet without getting the rug pulled out from under them every time they
turn around by shady Credit Card companies. Apparently these card

companies can't regulate themselves, so laying down a few common ground
rules makes sense. Please enact this bill as written, and give
American consumers a chance to get out of debt.

.

Sincerely,

Mr. Mike Olfers
